

## Victor A. Feldmiller

June 21, 1927 - January 29, 2022

FELDMILLER, Victor A., executive, community volunteer and head of family, passed away Saturday evening, January 29, 2022, at his home in Granville, Ohio surrounded by his loving family. Born on June 21, 1927, in Cochran, Pa, Vic came into this world on the longest day of the year which might have been an indicator of his long and full life ahead. He earned the deep love and respect of his family and countless friends along the way. Vic was a man of few words but boundless wisdom. His life was built on a natural inclination to work hard, to provide for those he loved, and to do the right thing. Besides gardening, photography, genealogy and his beloved Buckeyes, Vic loved to travel with his family, visiting nearly all of the major national parks together.

Vic was born to Opal Wood and Alexander Feldmiller in Cochran. He grew up on a farm and attended a one room schoolhouse with his brother Ben until they moved to Mount Vernon, Ohio. Vic represented his class at Buckeye Boys State after graduation from Mount Vernon High School, class of '45. He attended Denison University where he was a varsity cheerleader and a member of Sigma Alpha Epsilon Fraternity. Vic then earned his masters degree in genetics at The Ohio State University, where he met his wife and mother of his children, Frances Morrison (m. 1952). They made their home in Worthington, Ohio for thirty years.

He worked at Battelle Memorial Institute before joining the Ohio Society of

Certified Public Accountants where he was Executive Director for 26 years. He became a 32nd Degree Scottish Rite Mason, Valley of Columbus; a member of University Kiwanis Club; Toastmasters International; Marietta College Accounting Advisory Board; Dublin AM Rotary; and Columbus Zoo and Aquarium Docents Association.

Vic married his high school friend Marian Benoy in 1984, and their love for each other was obvious to all who knew them. They spent the next 27 years traveling, grandparenting, and giving back to the community. They particularly enjoyed Road Scholar (Elderhostel) programs in the U.S. and abroad, as well as visiting National Parks - anything to get them close to nature.

He is preceded in death by Opal and Alexander Feldmiller, Ben Feldmiller, Frances M. Feldmiller, Marian B. Feldmiller and son-in-law, Tom Nikoncyk. He is survived by his daughter, Victoria A. Nikoncyk; son, David S. Feldmiller; step-daughter, Jennifer (Bob) McLaughlin; step-son, John Fryman; grandchildren, Scott, Emily and Gracie Feldmiller, Ryan (Susan) McLaughlin; and his beloved cats, Dodger and Tuki.

The family will hold a private interment service at Mound View Cemetery in Mount Vernon. A memorial service will be held Saturday, February 5, 2022, 11:00 a.m. at St. Luke's Church, 107 East Broadway, Granville Ohio with a gathering of friends and family immediately following. Our family thanks the employees of Otterbein Senior Life Granville (formerly Kendal at Granville) for their loving and excellent care of Vic.

Contributions may be made to Columbus Zoo and Aquarium or a charity of your choice. Condolences may be sent to <https://www.rutherfordfuneralhomes.com>.

“ *I didn't meet Victor many times, but my father, Charles Feldmiller, always spoke about his visits with his cousin. Dad frequently spoke about any visits with Vic. It is with sorrow that I have learned of his death. Sincere condolences to your family.*

“ *I am so sorry to hear of Victor's passing. He and I shared information about the Feldmiller Family. My father was Charles Henry Feldmiller and Victor was his youngest cousin. Dad would stop by when in Ohio and Victor honored us with driving to Pittsburgh for both of my parent's funerals. Wish I'd known him better.*

“ Dave,

*I only met your Dad one time and that was when you and I, coming back from Brown together, stopped in for dinner. So really I only knew him two ways....through your stories about him, mostly as we wandered Woodland Cemetery together covering all topics. But another more intuitive way has been observing you and the personal characteristics rubbed off from your Dad. As sons, we could not escape the influence they exert if we tried Said another way is that your Pops was a solid dude. A man's man who spoke when he had something to say, kept quiet when he did not, knew instinctually how to be a father, gave and received love freely and I am sure died a happy and content man. Sounds pretty good to me.*

“ *I met Vic at Dublin AM Rotary, and served alongside him as club secretary when he was club treasurer. We became friends, and I looked forward to his warm smile and generous spirit. He and Marion were lovely, and kind, and nice. I am better for having known Vic.*

“ *Dave and Family,  
My biggest memory of your father was the first time I met your father. It was in your kitchen at your house. I walked in and there was your dad. He had a very full toupee on his head..I think the hair was long and black. I did not know what to think until Emily lost it and started laughing. He was quite the jokester! But..it brings a smile to my face every time I think of your father. I will miss hearing all the dad stories. With much love.*

“ I had the good fortune of working for Vic as his executive secretary in the early 1980's at The Ohio Society of CPAs in Dublin. He was a true professional and I very much enjoyed working with him and his management team. We lost touch over the years, but as I look back I will always value and appreciate the experience of working under his outstanding leadership. My deepest sympathies to the family and I hope you will take comfort in your cherished memories.
