“ *I miss Victor. We were neighbors and it just does not seem real that one of us is not stopping in to visit as we did these past 12 yrs. May You have the Peace now that You were denied in this life. You deserve Gods reward and heavenly peace. Love Donita Rossiter*

“ *So sorry to learn of Victors passing. I worked with Victor for many years in the field of Worker's Compensation. He was a force to be reckoned with, but a wonderful and generous person. Rest In Peace Victor! Condolences to the family.*

“ *Victor and his family were not only Classmates, but neighbors as well.*

I have one VIVID memory growing up, of Victor handing me a bottle of a green substance and telling me that it was "Kool aid", or "pop"... And I took a sip of it. It was PRELL SHAMPOO!!! I told him that story, but he didn't remember it.. My older Sister Robin was also in on it.. I'm quite certain that Robin and Victor are now catching up and are planning more pranks on unsuspecting people across the Bridge... I am so sorry that Vic and I didn't have the chance to catch up in person again.. My deepest condolences to his family. 🥺💔
