“ Ő volt az, aki az első programozó szoftvert (Pascal 6.0) a kezembe nyomta még a 80-as években. Akkoriban magyar ember ilyenhez nem juthatott hozzá. Ma programozóként dolgozom.
Nyugodj békében!

“ Sincere Condolences from the Jenkins Family to the Potondi and Liebert Family. Always admired the way Victor lived life to the fullest. The fishing trips at Lake Erie were some of the best times in my life.
