“ *I'm sorry this is so late. Vick was my buddy in school even when we went to two different ones. I would spend the night, ride her horse and basically did things we weren't suppose to do in her then Corvair!*

She made me laugh even with her crude remarks, sorry she had to suffer losing her son and then her passing.

We had just reconnected on Facebook and bantered a bit but always sent her things on horses.

God rest her soul, thanks for the memories Vick ❤️❤️❤️

JO

Vicci was more than just my mom's best friend...she was a part of our family. Vicci, Dick and JR have always been a part of my life as far back as I can remember and it's so hard to believe they are no longer here.

Vicci was one of the funniest people I've known and I will really miss her unique laugh. When I was a kid I could always tell when my mom had been hanging around Vicci: she would come home cursing like a sailor!

For me, Vicci was a constant - she was always there for a call about animals, she was always there in her house on Cherrywood as I drove over to see my grandma, she was always there for my mom.

She will be missed more than she probably ever could imagine.
