“ *I am the Fitness Center Manager at Worthington Hills Country Club, where Vidah was briefly a member. In the brief time I got to know her, she would come to my Senior Fit exercise class and it was always a pleasure to see her. She always had a kind word and a smile for everyone she saw and I would look forward to when she would come in a just work-out on her own with me and we would chat about little things. I was so sad to hear of her passing, as she reminded me so much of my own grandma. Vidah was truly a special person, whose kindness towards others will me missed, but remembered. My sincerest sympathies to you and your family.*

“ *Dear Patricia and Franklin, We are sorry to hear of your loss. We only just met you and your Mother, and we enjoyed her and you so much. We are the ones that sat with you at the Alumni Banquet and your Mother said she was sure we were related. I wanted so much to get in contact with her. She said to get her address off of Mary Aiken. She was going to get it for me, but told me your Mother had cancer. I would like to have talked with her. But I shall not forget her. Sincerely, John & Barb My Parents were Carl & Rita Titus*

“ My sincerest condolences on your loss. I am reminded of the words in the Bible at Psalm 90:10 “In themselves the days of our years are seventy years; And if because of special mightiness they are eighty years, Yet their insistence is on trouble and hurtful things; For it must quickly pass by, and away we fly.” vidah must have truly been a very special person. Our thoughts are with you at this time of your loss of your dear loved one. It seems so unfair that death should have the power to take away someone you love. And cause such pain that can be most difficult to bear. The Bible Can Bring Comfort when we lose a loved one. While you are grieving, maybe some of these scriptures will comfort you. 2 Corinthians 1:3, 4. Acts 17:31. Psalm 119:50, 52, 76. “The hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life.”—John 5:28, 29. The Bible holds out a truly comforting hope, the promise of life under very different conditions, under peaceful, righteous conditions. And at that time humans will have the prospect of enjoying perfect health, and they will never have to die again. The Wiley family sends our sincere condolences on your loss. C. Wiley
