“ *Dear Toni, We would like to express our condolence and sympathy, but also our joy and thanksgiving for the life that Vincent lived in his productive years and in his good fortune and blessing to have you as a loving partner in the later years of his life. We pray for the soul of Vincent -- for him to finally enjoy the warmth of the Lord's embrace and the brilliance of His eternal light. We also pray for you, that the Lord and our loving Mother Mary will make the cross of your transition to a life without Vincent easy to bear. As always, we love you.
