“ I am saddened by the passing of Vie. I worked with her in the school system and she took her job as an aide very seriously and loved every minute of it! She went the extra mile not only teaching academics but life skills as well. Always with a smile on her face and a loving story to tell about her family. I will miss her!

“ I was so sad to learn of Vie's passing today. Vie and I worked closely together for over 10 years, with Dublin City Schools. During that time, Vie spent valuable time supporting special needs students. She was a dedicated employee. Vie was good hearted. She developed lasting friendships with staff members. She was Incredibly kind, She spent personal time to bake birthday cakes for individuals and prepared Friday lunches for staff members to enjoy. What a LADY...I feel very fortunate to count her as my friend. Mary Hill
