“ *I have highest regard for Shri V.P. Agochiya. Right from first day i.e. on Jan 02, 1992 when I joined BITS Pilani, he made my life enjoyable and remain as true friend, though he was like my father. He took extreme care for all of us. I liked him from the core of my heart. I am also proud of the fact his all three sons have taken highest order of care of their parent and has also kept us informed about his health. May God give him eternal peace in the heaven !!*

I wanted to share with you and your family a promise of real hope 1Corinthians 15: 26 "As the last enemy death is to be brought to nothing." Also 1 Corinthians 15: 21, 22 death is thought the man Adam...resurrection of the dead is through a man Jesus Christ." Yes there is hope of you loved one being resurrected into a paradise earth, "Your dead ones will live...They will rise up."...The righteous themselves will posses the earth, and they will reside forever pin it."
