*“ I met this wonderful woman on the arm of her son Jimmie Dale when I was sixteen. I fell in love with her and her hubby Jim along with Jimmie Dale. Things didn't work out for me to marry into this family but both Jim and Virginia always treated me like I was family. I loved her for so long. I am thankful for all of the hugs, laughter and love we shared all these years. I will miss our phone calls so much! Loved you Virginia with all my heart. Say "Hi" to Mom and Dad for me. I know they will be glad to see you.*

*“ She was my mother-in-law and I loved her very much. I will miss her and seeing her. I remember she had a shelf in her bathroom that I hit my head on. The next day she had the shelf cut back. That was the kind of person she was. Caring for others no matter what.  
All my love always
