“ *My name is Katherine Plank, from Plain City, and I helped Virginia Dill with cleaning her house for quite a while. She was a delight to know and share with. We did a lot of talking and chatting during the cleaning hours. Then she moved out of her home and it was sold. I talked to her on the phone; however, then covid came along and I couldn't visit. I am so sorry I never got there. I so enjoyed her company and working with her. My sincere condolences to the family.*

“ *Jeffreyyy! That’s what I remember when I was at Jeff’s house when we are in the basement and Jeff would have a phone call. Many fond memories when staying overnight with Jeff as teenagers: Ping Pong downstairs, Leonardo’s pizza, her patience when we would listen to music. Carla and Mrs Dill would meet me at the side door after I pulled up in my “bucket of bolts” to see Jeff. Wonderful memories include: Our trip together out west stopping at Five Springs Falls, Wyoming; Her Ox tail soup and her chocolate cake. She was always welcoming to Jeff’s friends. I am thankful that she was a part of my life. My sincere condolences to her family.*

“ I was a new employee at OPERS and apparently I was always quietly working and scurrying around, so Virginia gave me the nickname Mouse. I am so glad I met her and was able to work with her, she was a true treasure. May God bless and watch over this family now and forever. Your mother, grand mother and great grand mother and friend will truly be missed.
