“ Paul, our deepest sympathy on Gini's passing. It brought back to us our wonderful memories with you at Marriage Encounter days together and the contributions you gave to so many couples. We go back a long time with enjoying all you did for so many. We can remember that something special the two of you had for each other and all you gave to our community of marriages. Our prayers are with you on your great loss.

“ I am so sorry for your loss. May the “God of all comfort”(2 Cor. 1:3,4) be with the family during this difficult time. Wonderfully, God has promised to end death forever and soon reunite us with our dear loved ones (Rev 21:4; John 5:28, 29) on a paradise earth. May this sure hope bring you comfort.

“ *Our hearts are heavy at the passing of such a wonderful person and mother. I was blessed to know her as my "foster mommy" and to share many years and wonderful memories with her. I will never forget the sewing parties with my mom, driving to practices with Christina, just enjoying dinner together and of course the laughs. When Ed and I were planning our wedding she gave me advice on putting the service together and helped make our special day all the better with her wisdom. The sadness you feel now is shared with those around you. Thinking of your family - praying that your hearts find peace - and praying for Gini our own guardian angel – that she feels our prayers and knows how well and truly loved she is.*

“ Paul:

My deepest sympathies on Gini's passing. I know how close the two of you were, and my thoughts are with you during this difficult time of loss and grief.

Unfortunately, I'm out of town this weekend, and so cannot attend the service. I will, however, be thinking of you. Please let me know if there's anything that I can do...
