“ *Please accept my deepest sympathy in the loss of your beloved mother, Virginia. She was such a sweet, gentle presence in our facility at Traditions. We'll miss her talks during her long walks down the hall. We are praying that healing will touch your family's hearts right now. Virginia meant a lot to us and those of our staff who cared for her each day.*

“ *My thoughts and prayers are with each and every one of you in this difficult time. I will always remember your mom's beautiful smile. The last time I saw her was at Russell and Marianne's (less than a year ago)and I can still see her sitting in the rocking chair just smiling at everyone the whole time. She seemed so content. She will be missed very much. God Bless, Gayle Funk*
