“ Buck, I am glad that you and Ginny made the effort to attend her last Worthington High School reunion in the Columbus area last June. Clearly Parkinson's disease had diminished Ginny. To learn of her death on March 6th brings deep sadness to me and all her high school friends. Her gentle and kind spirit and her many gifts made her a trusted friend to all of us. May you and your children cherish wonderful memories of Ginny going forward and discover God's peace and strength in the days ahead.

“ My sympathy to you all. Ginny was a lovely person I've known for many years. Always capable and kind, she was a friend from Mortar Board who attended North High School luncheons every month. I will miss her. Jean Griffith
