“ Since I live in California I did not often see Wally, my first cousin. When I did see him, I was always amazed by his marvelous memory - especially events and dates from long ago concerning our Burkey family's history. Just two weeks ago, he told me new things about our parents that I previously did not know. My heartfelt sympathy goes out to Wally's family as I celebrate his life.

“ My wife and I have fond memories of Wallace from our time at LUMC. He appreciated old clocks and I was pleased to have given him a German wall clock. We had many talks on how well it was keeping time. To his family we extend our heart felt sympathy at his passing.
