“ *Will miss you dearly Uncle Bruce. Thank you for always picking me up and letting me spend weekends with you and Nick back when I was a kid. And thank you for always treating me with kindness, respect, and patience. Thank you for being there to talk to when I needed it most, and thank you for always reaching out. I will always wish for more time, and more words, and more laughs... but I thank you for all of these we DID share. Fly, Eagle, Fly.*

“ Trish , Peter and Woody - have to share this - do u remember when Bruce was very small - crawling around the living room at the farm (baba/Jedas) in Richmond that we all had to put our feet up if we were barefoot because Bruce was a TOE BITER ? Also when he was little boy living in Borentown N.Jersey - the police picked him up with a small suitcase and the only thing he could tell them was he was going to Babas in Richmond - Police had no idea what Baba was or Where Richmond was - - good thing he was still in your neighborhood - He was a precious blue eyed blond that will be in our hearts forever - I am so sorry i can not attend services due to illness = but i did say a prayer for him and all his family - RIP Bruce we love you - Aunt Dot

“ trish, I did not know bruce personally, but, I have heard what a great guy he was, via bobbie jo and gary. you might not remember, we went to high school together. I thought that I would let you know that I am thinking of you. I know it helped a lot when I heard from people when my parents died. take care. I loved the part where you stated that he would be with his 4 legged kids at the rainbow bridge.
