“ *I always thought of Uncle Walter as one of the pillars of the family – always the strong one. I have very fond memories of the family gatherings from many years ago and how much I liked to hear Uncle Walter’s booming voice and laughter He will be greatly missed by everyone*

“ *To: Cheryl & Heather, I am sorry for your loss. Cheryl, from the time I've known you, you have always been there for your dad and Heather. You 've devoted your life and sacrificed a lot. Through this time of sorrow I hope you find peace and comfort in knowing that your dad is in a better place, and that even though he has left this earth there will always be a special place in his heart for you both.*

“ I worked with Walter at Battelle Memorial Institute back in the 1950's
and 60's. Walt was a great guy and fun to be with. I was the TIG
weldor for the shop, and Walt was the good weldor, either MIG or
stick. I remember that he always phoned Mary on his lunch break.
Many missed him when he left the Batelle shop. DAVE
