“ There are so many memories of Wanda and John. Of John with his zucchini he used to load up my sister's car without her knowing. All of his puzzles! And Wanda watching her from my back door pulling out weeds around the Little flower bed that Betty planted zenias in . Walking over and sitting in the swing with her and just having a chat for a little while. But I know that now she's up there with Jesus she can see and she can hear! I thank the Lord. For the time we were all neighbors!

“ I know the heavens were singing to welcome another angel into heaven. God gave you a gift of an angel on earth if you had the privilege of being just a small part of her life . Such a wonderful person that will truly be missed. She is home with the Lord . And I hope she is taken in the view and listening to the angels sing. Rest in peace and know that you were so loved by all.
Thank you for your love .

“ Betty and Steve, I am so sorry to hear of Wanda's passing. We were always together as families. Our moms and dads are now fishing together, just like back in the day. Wanda was always a sweet loving person and she will be missed.

“ *I am heartbroken! Wanda, I know you knew how much I love you! You are my 2nd Mother and such a Beautiful, Wonderful, Friend and Person! It was in our plans to visit you on September 14, on our scheduled trip to Ohio for our Family Reunion. I will always regret that we didn't make the trip sooner! My memories of growing up with your Family are the very best memories of my Childhood!*
