“ *I'm from the old Cols. 2nd Ward and have told or had her passing announced to the old Cols. 1st and 2nd Ward members and to the current Worthington Ward. They and I send our condolences and prayers. My Grandmother, not an LDS member as I am the only one, passed almost 40 years ago and, although I do have the Gospel and know that she is more than just fine, I think of her and her teachings and mostly love and feel her influence frequently. I am ever so grateful that she was in my earth life to guide, teach and direct me. You also will have similar thoughts and feelings, live so she will be proud of you here on the earth and so you can be with her for eternity some day. Her kind of love is eternal. May God bless you all. Sincerely.*

“ *Debbie and Stephanie, my heart aches for all of her wonderful family. She will be sadly missed by all of us and our family reunions will not be the same. She was quite a woman and was loved by all of her family and friends. She had a unique and fulfilled life and was beautiful inside and out.*

God Bless you and keep you and the family gently in his arms at this most sad of times.

Much love and hugs and kisses.

"Cousin" Teri
