“ *My sincere condolence. Warren's passing has saddened me greatly and brought back old memories. We were classmates at Lyndover school and Maplewood High. We played together in the sandbox in our back yard and were part of a group of 4 or 5 who walked (yes walked) to school each AM. There are not many of us left now. My thoughts are with you.*

“ *We were so sorry to hear that Warren had ended his earthly journey. I was a childhood friend of Warren as well as our fathers and his uncle Edgar. I recall many days of fun on my great-grandfather's farm and visits of Grace and Lester. My dad, Charley Mugler, and Lester and Edgar were friends that long ago. Take care and always remember your Dad. He was a true gentleman.*

“ We will miss Dale. He was so active at the church all the years we knew him. Our sons Marc and Scott Mustric especially liked him when they were involved with the church youth group. He was always a friendly man.
