“ Wayne was such a nice guy. He always had a smile, and when I walked in, he'd said "Hey Lisa, how's it going?" He would pause for my answer because he really wanted to know how things were. Like so many folks, I have a ton of great memories. Wayne & Tommy were the best. Rest in peace, Wayne.

“ I knew Wayne from the High-Beck. What a great guy. He had an infectious sense of humor and smile. He was always pleasant and fun to talk with. I enjoyed hearing his world views and I left every conversation with him feeling better because of it. We will all miss him as a wonderful friend.

“ We met in our later high school days. Of two different high schools. We had mutual friends from both schools. We shared living with each other for a few years and experienced a lot of fun times back then. We bought our houses and started experiencing what that brings to a young person. We both made it. A long time friend. You will be missed by me and others I'm sure. May you Rest In Peace dear friend. Doug
