“ I will remember Weida forever....not because we were both born on March 23rd...not because we both graduated from Parkersburg High School...But...because was was a warm,loving and caring person. I will miss her. Jan Snook Olde Hickory.

My cousin was one of the best and she was one of a kind even her name was taken from an Indian name that her mother Florence liked. I always thought it was such a unique name. She was a dear person loved her family so much and her husband, Ned. She was a generous person. She was a very capable person, except when it came to cell phones and computers, but a lot of us have those problems. She and her mother lived with my mother who was her sister after they lost Dewey, the father of Weida. Her three children were truly blessed to have such a wonderful mother. I for one will miss talking to her and that beautiful smile she had on her face you all have my deepest condolences. I pray she will rest in peace and be with those she loved.

The Starling-Ohio organization (formerly Starling-Ohio Women's Club) remembers with fondness our longtime member, Weida. I recall the loyalty and interest that Weida felt for Starling when I might sit next to her or across the table from her at our meetings, luncheons and events in the earlier years and then more sporadically in her later years. She always had a joyful laugh. She was supportive of our missions of educational enrichment, social engagement and service and financial support for our two annual OSU dental and medical student scholarships in the Colleges of Dentistry and Medicine. Our enthusiastic members created an endowment, and our historic beginnings date back to 1895. So in this year of our 130th Anniversary, we pay tribute to you, Weida, for your years of friendship and membership.

Weida was a vibrant, intelligent, loving friend. When I remember Weida, I break into a smile, as one special shared experience after another shines in my memory. Weida and R. Ned were a devoted couple, with unique, creative and fun-loving personalities. We were privileged to travel with Weida and Ned as members of, as we called ourselves, the Traveling Squad. Many, but not all, of us were connected with the OSU School of Dentistry, and every year we went to at least one away game, and made sure everyone knew we were Ohio State fans! No one did this better than the amazing Weida Kramer!

I remember Weida as a wonderful neighbor 2 doors from us in Worthington Hills for at least 30 years. I just stumbled onto Weida's obituary, and I certainly wish I had known she passed. She sent us a Christmas card every year. It turned out that the neighbor between us and Weida and Ned had sons born on the same day and our daughter and Jeffrey Kramer were born on the same day. Weida was very generous offering Kim's outgrown clothes to our daughter. I so wish I had know Weida had passed. She is now in heaven with Jesus and those who preceded her free of pain and suffering.
