“ *As many of you know, Wendel was my father. He was a terrific man who left his mark in this world. He had 2 wonderful children and 5 beautiful grand-daughters. Every morning I when I get up, I want to call him to complain about something. Now I can't. Words can not express my feelings of grief and loss right now. I know he did not suffer and time will help heal all wounds. Thank you to all of you who were great friends to my father. I love and miss you daddy. We will be fine and I'll take care of mommy. You just rest in peace and know that you are loved to the moon and back! I love you, Sissy*
