“ *Dear Cox family, I am so sorry for your loss I cant even begin to know what you are going through at this time. One of the things that I have found to be a great source of comfort is the thoughts found in the Bible at John 5:28,29 Were we see that God is going to bring our loved ones back to life. at revelation 21:4 we see that God is going to eliminate all of the causes for why we get sick grow old and die. Also at Psalm 37:10,11,29 We see that God is going to get rid of all wicked evil people and only those who are good in his eyes are going to have the chance of living forever here on a paradise earth surrounded by happy healthy people. it is my sincere hope these thoughts bring your famiy comfort at this time. Once again i am so sorry for your loss.*
