“ *I'm sorry for the loss of your loved one. It's so comforting to know that you will have the opportunity to reunite with "BILL" again in the future, by means of a resurrection right here on earth. (Job 14:14, 15) At that time, he will not say again, "I am sick". (Isaiah 33:24)) May you look towards that hope.*

“ *Bill was such a wonderful and kind soul. I always saw him with a smile on his face. He helped me so much when I worked at Scioto covering the football team as their Athletic Trainer. Even though I no longer work there he always said hello when we would cross paths. My thoughts and prayers are with the family and to all those who were blessed to have known him. He will be missed very much!*
