“ *Four years too late, I just learned of Ron's death while living in Florida . Kristi, You have my deepest sympathy. I lost my wife Dody in 2019 . Ron went with me when I bought my first piano . I always got a big kick out of going to lunch with Ron . His sense of humor made each occasion a memorable one. I hadn't seen Ron in years but thought of him often. I don't know if the funeral home will forward this message to you Kristi , but if they do, I'd really like to hear from you. I plan to come to Columbus this summer so maybe I could take you to lunch. My phone # is 614 270 6314 and my email is twyleo3@gmail.com I really thought the world of Ron, but I think he got some bad information about me and we drifted apart and that's a shame. I'm sorry I'm so late in expressing sorrow but know that I was Ron's friend. Take Care, I Remain Sincerely Yours Tom Twyford*

“ *My husband Duane Hays and I are 1958 North High School classmates of Ron's. I have many fond memories of Ron especially from being a music grad with him at OSU. He and I used to rock the practice rooms at Hughes Hall on the top floor with him playing trombone(trumpet?) and me singing and my sorority sister Patsy Burns playing piano. He was so talented and fun! Judy Wright Harris Hays(the Brigadoon girl from North)*

“ *We were so saddened by the news of RON's passing. We enjoyed working with Ron and Kristi and spending time with them. We will always remember Ron for his witty stories. We had many great laughs together. Ron will be missed.*

“ *Ron was an attorney in our office and was outstandingly professional in all respects! He was an extremely talented pianist and motivated me to introduce my twins to the piano and they still are taking lessons! But, embarrassingly, I remember Ron mostly for his sense of humor and wonderful ability to tell a good story (jokes)! I had not seen him for several years, but have very fond memories!*
