“ Lots and lots of fond memories growing up on Bender Ct with Bill, including being in the garage with Tall Paul. Him writing "V, for volatile" in the steam on the window, working on go-carts, among other things. BB guns, M-80's, ATV's, even snowmobiling a few times. Waiting at the bus stop,,and on cold days we'd wait in the garage. I could go on for hours. Rest in peace, my friend

I just learned of Bill's passing today. I had the privilege of working with Bill over the last couple of years. He was funny, engaging and simply brilliant. He was a man of faith and loved his family. He was a wealth of knowledge and always willing to share with a side of wit! Please accept my sincere condolences over the loss of Bill. I offer you my heartfelt sympathy and support during this difficult time.
