“ *My condolences to the Schram family, and in particular to Frank. Frank and I played football together for the Pope's Inn Football Team. As I recall, Bill was ahead of us at the old Aquinas High School. Many mutual friends in Linden spoke of Bill, including Pete Susi, Lee Paolini, and Dave Cianelli. May Bill rest in peace.*

“ *Dear Myriam, Chris, Angie, Kris, and Family,
We are new neighbors and feel very sad that we were not able to get to know Bill better since he had been ill. He would wave and say hello anytime we saw him outside and in passing. We have had a chance to get to know you, Myriam, and some of your family, and look forward to getting to know all of you better as the days pass and hearing more about Bill. We send you our warmest thoughts and condolences during this sad time. Bill lives through all of you and your fond memories. Sincerely, Jessica, Randy, and Mitchell Tomasek*

“ *Melissa, Chris, kids and extended family. We just returned from your dad's services. They were beautiful and we were blessed to be part of it. Melissa, you did a great job with your dedication to your dad. John and I both talked about how we felt like we felt like we got to know your dad and your family and what he passed down to you through your words. It was very moving. Love and peace to your dad, you and your family, The Yougers*

“ *Dear Melissa - I was saddened to hear of your loss. I know how precious your dad was to you and your family. You were blessed to have had such a Dad and PaPa as he was. And he was blessed to have a daughter such as you - to love him, honor him and care for him so tenderly in his final months. You and your family are in my prayers - may you all find comfort and be blessed by the many wonderful memories you share. Love always, Polly*
