“ *I've only known Billy since he got his job at Kroger but we clicked well and bonded over life experiences and sharing a lot of the same interests, his kind heart and soul was a blessing to all of those surrounding him, we will miss you Billy. Rest in peace my friend.*

“ *Karen and family,*

*We were so saddened to hear of Billy's passing. I remember a beautiful, loving and gentle little boy with the biggest brown eyes filled with wonder and love. He grew into an amazing young man and loved his family with everything he had and then some.*

*He was taken far too soon.*

*You will be missed, rest easy Billy...*

“ *Billy really took me under his wing at work and he was always very kind and compassionate. Even though I only knew him a couple months, we became good buddies and shared many laughs and deep talks. He was an awesome guy and I'll miss him a ton.*
