“ Uncle Bill (William Donovan Horn) will be missed by a huge family who looked up to him. He was the last of the siblings to leave this world. As children they had a rough time since they grew up during the depression and their Mother was a widow, but they stuck together. We loved his big hugs, his laugh and his entertaining stories. To all of his children, grandchildren and great grands, we send our love and wish you peace.

“ My sincere condolences to the Horn families. Bill will be missed by many. I had the privlidge of working with and getting to know him on a personal level. He was one of the best craftsman and intelligent people I have been blessed to be around. Local 683 is certainly better off because he was a member.....Joe Arndt, Local 683
