“ I have known Lydia for many years and met wonderful Bill three years ago when I moved into the Retreat At Dustin. Unbeknownst to me I found out they were living here, and was so excited to reconnect again with Lydia and the bonus of meeting Bill. We became instant friends and Bill was such a positive force in the three years I knew him. He even gave me an attitude adjustment now & then! A wonderful, God spirited, full of life man. It was always such a warm feeling to go talk with him and see him out and about watching him with love in his heart and always making people smile. Bill, I will miss those beautiful blue eyes, rest in peace, my dear friend!
My thoughts, prayers and love to Lydia and all the family.

“ My husband and I moved into our community 4 years ago and Lydia and Bill were the first people we met. We knew right away we would be good friends and we were blessed to have had Bill in our lives for this time. He brightened everyone's lives here at the Retreat and always had a smile on his face.

Wishing you peace, comfort, courage, and lots of love at this time of sorrow.
