“ *We loved seeing Bill whenever he came out to hear Whinestopper play. Watching him dance with Ileen was a real treat, as was having him join his son Charlie in singing All of Me. He was a wonderful guy who is dearly missed.*

“ Bill was my Uncle, and I am proud to be related to him. We didn't see him all that often, but his visits were always memorable when we were kids. I had the opportunity to visit him in Columbus several years ago, with my oldest son when we were in town for a football game. As with me when I was younger, he left a big impression on my son. While I believe Bill is now in a better place, we lost a good man here on earth. He will be missed.

“ Bill was the most positive person I have ever met. He was such an interesting man and we shared many great conversations at Meijer. He also had an impact making others feel positive about their life. I am so happy to have known him. He touched my life!
