“ To the entire Ford family, our prayers are with you during this time. I met Bro. Ford several years ago as I served in the General BCS and YPHA department. We had many great conversations in Greensboro at the Headquarters as well. While we talked on several subjects, We often shared on various "construction" projects. I will miss him as a friend and a very kind and knowledgeable gentleman. May the lord sustain you during this time. With deepest sympathy!

“ I loved Bro. Ford. He was a true man of God. My most recent memory was New Year's Eve Watch Service. He began to sing a song and his voice was very shaky. By the middle of the song, the Holy Spirit took over and he belted it out! I know he is singing with my mom and dad in Glory!
