“ *Patti,
We are so very sad to hear of Fred's passing. I know how much he will be missed by you and the boys in particular. We were lucky to have been neighbors however briefly...and golf buddies! I learned some things from him that I often think of when playing....don't walk around the green when someone is putting and do NOT fish balls out of the water to use- they are no good!!! Haha!!! I always remember that and literally can almost hear him telling me that this many years later! He and Bill won a tourney together and Bill remembers play by play of that!
Please know we are with you in spirit and pray for all of you. We are so very, very sorry for your loss. With love and hugs- the Underhills*
