“ *Bill will be greatly missed by all the regulars in his exercise class at the McConnell Health Center. He always had a smile on his face and words of kindness. If a person came in to the class late, he rushed over to get them a chair and setup. An exceptionally nice person who enjoyed being of service to others.* *Fred Vierow*

“ Dear Patty, Peggy, Penny , Hugh and Families, So Sorry to hear about your Dear Dad's Passing--He was such a kind, loving, hard working man, with a great sense of Humor, who loved his family Dearly! He was always so willing to help others and we loved having you as our Awesome Neighbors on Hartford Court in Worthington 45 years ago! The Court Parties were Fantastic, because your Parents, Juanita and Bill, and Linda and Art were in Charge of them! Your Dad was always so willing to lend a Helping Hand to anyone! He did all of our Electrical Work and He was the Best! God Bless Him! Heaven must be a Beautiful Place, for it has so many Special Person's up above! Your Dad and Grandpa will always be you "Guardian Angel", sitting on your shoulder, watching everything you are doing, but when you are doing something you don't want Him to see, He said He'll close his eyes, because that is how much He loved all of you. Your Dad and Mom are together now in Heaven and Both of them were quite an Inspiration to know! We will always Treasure their Beautiful Friendship. God Bless, Love and Prayers, Linda and Art Signore, Anne, Cindy and Families!

“ I was so sorry to hear of Bill's passing. He was such a kind, gentle man whom I had the pleasure of chatting with every time he came by our State Farm office. He cherished his family and so loved sharing stories about them. He reminded me of my father who passed away in 2008. My deepest sympathy to the family, and all who knew him. Bill will surely be missed. Warmly, Mary Hazelton

“ Unfortunately I can't attend the visitation or funeral today, but I want to express my condolences to all of Bill's family. I've known him for many years through WPC and I served on his usher team until he "retired" as captain. We will certainly miss seeing him at church. I want to especially send my sympathies to Penny, who was my assistant when I taught 4th grade Sunday School back in 1984.

“ I was saddened to learn of Bill's passing. 32 years ago I met him in the Clinic at Riverside Hospital and he was my patient for 31 years. From heart attacks to stroke to his beloved Juanita's illness to later life slowing down. He was always a pleasure even when he didnt heed my advice. He had a hard time staying off that darn ladder! Seriously, we had a mutual respect and friendship that I will always remember fondly. I am sad for Hugh, Penny and family and I am sorry for your loss. But I also celebrate a GOOD man and my great fortune to know him and be a part of his life. Rest in Peace, Bill. I know you're smiling in heaven.

“ My Brother...

All 87 years minus 2 days of my life Brother Bill has always been there as he was almost 3 when I was born. Growing up on the farm together in Pleasantville, OH brings back such fond and treasured memories. Bill always set an example before me of being a hard worker, had a spirit of excellence about him in all he put his hand and heart to. He was caring and thoughtful while being a jokester sometimes too. He was a great husband, father, grandad, uncle and friend... but for me... the best brother ever! 💙.

ccar Words can not convey how much you will be missed by Monna and me and our family...but as you enter those pearly gates and meet Jesus face to face and hug your beautiful wife Juanita and Mom and Dad too ... please tell them all we send our love.

To your family left behind we send our most heartfelt prayers and condolences. May the Lord bless and keep them and always cause His fa ce to shine upon them and give them Your peace.

*Love and Blessings,
Pearl and Monna Lee Miller*
