

## William "Bill " Geniella

January 14, 2014

William "Bill" Geniella, 72, left this world to continue his journey on the evening of Tuesday, January 14, 2014. He died at home with his wife and daughter by his side. Bill was a California native and he settled in Ohio in 1976, where he met his wife of 34 years, Martha. Together, they raised a blended family of five, and had another daughter together. Bill was a jack of all trades. Following his service in the USMC, Bill worked in the cattle industry, industrial equipment sales, and contracting. Throughout the course of those careers, Bill made lifelong friends, many whom became "family." His work led him to become part of a wonderful community through the Bharatiya Temple in Powell. He is survived by his wife, Martha, daughters Carole and Megan; stepchildren Lisa, Lorrie, Brian, and John, grandchildren, great-grandchildren, brother Joseph, "brother" Skip, his "boys" Ricardo, Nic and Cande, and his loving California family. In lieu of a funeral service, his wish was to have a celebration of life at a later date. Donations may be made in his honor to The Ohio State University Comprehensive Cancer Center in order to aid in the battle against the disease that took his life. "It has been a beautiful fight-still is." Please visit [www.rutherfordfuneralhomes.com](http://www.rutherfordfuneralhomes.com) to send condolences to Bill's family.

“ *Bill was an amazingly dedicated advocate for others. I am a better person for having met and worked with Bill. He was an invaluable resource on many topics and he will be missed terribly. My prayers are for Martha and all the family during this time of grief. He will not be forgotten!*

“ I extend my deepest sympathy to Martha and your family. I had the privilege of working with Bill in the last several years on MH industry issues. More importantly, the good friendship we had was the best part of knowing Bill. I admired his strength, integrity and genuine caring nature. I will miss him.
