“ *To the Ison Family, I have had the pleasure of working with Bill for a few years. He was a wonderful asset to our company and a hard worker. His stories of growing up in Portsmouth, family and his time in the US Army were always enjoyable to hear. He will certainly be missed at the office but in our hearts we know he is in a more comfortable place. Our thoughts are with all of you during this difficult time.*

“ *I would like to offer my sympathy to the family of Bill Ison. I worked with Bill and enjoyed talking about politics and sports with him especially OSU and the Reds. I also liked hearing his stories about growing up in Portsmouth. I will miss seeing him every day.*
