

William J. Scholl

April 20, 1947 - November 8, 2019

Bill used to sing, "Turn out the lights, the party's over..." especially when the OSU football team was not performing as he had hoped. He loved that song. On November 8th, 2019, Bill sang to us his final song. This kind, loyal and loving man was a devoted husband, father, friend and patriot. He held on when lesser men may have given up. He truly lived a life of good humor (not the ice cream, as there was nothing vanilla about him), and service to others.

Bill is survived by his high school sweetheart, Teresa, whom he placed on a pedestal nearly 50 years ago, and where she currently remains to this day. Also living life to the fullest in his honor are their three wonderful sons and their families: Jeffrey & Amber and their children Alex & Sarah, Kevin & Vikki and their daughter Hadley, and Andrew & Sue. Also surviving him are his sister and brother-in-law Carolyn & Pat Appignani, and sisters-in-law Peggi, Bobbi & Mary Ann, and the Scholl & Appignani nieces and nephews: David, Michael, Andy, Tom, Chris, Doug, Jenny, Rhyan, Katie and their families. To his dear, supportive friends - you are too many to mention, but you know who you are, Bill was always grateful to have you in his life. He is predeceased by his parents, Paul and Mary, and his siblings Frances, Julia, Paul, Tom and Bob.

In lieu of flowers, please celebrate the joy of life by doing something special with loved ones or surprise a stranger.

Calling hours will be:

Sunday, November 17th

1:30-3:30PM at The Rutherford Funeral Home

450 West Olentangy Street (Powell Rd)

Powell, OH 43065

A brief service will follow at 3:30 PM

Immediately following the service, we will celebrate Bill the only way we know how, as Irish and Italians (Ancestry.com verified) with an evening of music, laughter, drinking, food, stories and drinking. Yes, we said drinking twice. Irish, Italian - Google it. If you are able to stop by, we will be at:

Nationwide Hotel and Conference Center

100 Green Meadows Drive South (Just east of RT 23 & Powell Rd)

Lewis Center, Ohio 43035

The Grand Ballroom #1

When we reflect on Bill's love for singing "The Party's Over", we are not somber. For those of us who knew and loved him, we know what he wanted us to understand - that all good things don't have to come to an end. He may have called it a night, but for those of us left to remember his love, his laugh, and his life, "tomorrow starts the same old thing again."

We love you Bill Scholl.

“ *Bill Scholl worked for Lafarge Cement in Ohio for many years and many of us referred to him as "the Doctor." He was an active supporter of concrete and masonry industry associations and was considered a go-to-guy for many. Bill represented V-Seal in 2010 - 2011 and was instrumental in helping me launch Concrete-CPR, my concrete power washing and sealing business. He understood sealer chemistry and could explain in easy-to-understand terms, why V-Seal products were unique and performed so well. He was a friend and mentor during the Great Recession. He reminded me that we were living through the Recession that would make us Great! Ed Gebauer*

“ *Dear Scholl Family,*

Bill's presence and energy will be missed by all of his fellow graduates at Bishop Watterson. He certainly put a spark into all he did with the reunion plans over the years. Praying that all of us and you will be consoled that he is with God and enjoying the happiness of heaven.

“ We could write a book about times with Bill. A man with a big heart, loving, caring and good natured. Bill set the example of how to be a loving family person, always calling Teresa "The Queen". A good friend that we will miss dearly. I'll miss our frequent phone calls. I laugh every time I think of our Michigan trips. My Dad thought the world of Bill. There are no words to express how much Bill is loved and will be missed.

Rest in Peace

*Love,

*As a kid, I always remember his dry sense of humor and how much he loved his mum (who was my second mother). The Scholl family lived almost directly behind our house on Welsford road. It was a triangle: The Scholl house, The Meyers directly behind them and The Schreick's house. Though Bill was 4 years older I was his sister's friend and I still am today...68 years later.
Bill is in heaven with his mum, dad, Aunt Frances and all of his siblings. What a card game is going on right now!

Jeff and Amber, I never had the honor of knowing your dad, but he must have been one heck of a guy to raise a sweetie like you. I'm so sorry for your loss. Marianne Jones
