“ Bill is one of the most unique and talented CFO's in Columbus and beyond. To date, no other CFO I have met compares to his level of talent and charisma. I enjoyed many golf outings and Saturday morning golf excursions around Columbus with Bill. He always played better after having a beer on the turn and would win. That trick never worked for my game. :-)

I am heartened to read the comment that Bill found peace in God later in life. I think that is what he was always looking for; where success, influence and money never measured up.

He was always so proud of all his children and beamed about his grand children too.

My thoughts and prayers are with the family. I know WillyT will be missed. The world was a better place with Bill in it.

“ *Bill was about the first person I met when I moved to the Polaris area. We found out we knew some of the same people from earlier years. He was know in different ways but I remember him as caring and compassionate. He helped myself and others without a second thought. I will always have a special memory of him which will keep him living in my heart forever.*
