Dear Sharry and family,

I read in the Northwest News of Bill's passing. I want you to know I am thinking of you and the family. My prayers are with you during this difficult time.

I really didn't know Bill that well, except when we had the reunion meetings and met him a couple of times.

Sharry, you and I spent much time together during our school years at GHHS, as well as Edison school and junior high. I can tell you that I had a big adjustment to face when "my Bill" passed in 2006. Memories of the good times helped a lot...as well as time passing. I am sure you and Bill shared many good times over the 46 years you were together.

Again, my thoughts and prayers are with you.

Yours truly,

Kay Biggs (McGuire)

“ I am saddened to learn of Bill's passing. Bill is one of the "good guys" of the Class of '63. Always smiling. A hearty laugh. A great sense of humor. Full of life. Most importantly, a caring person. He and I laughed a lot -- all the way through Roosevelt Junior High School, our time at NHS, and our class reunions. My heart and prayers go out to you and your family. May the grace of God be with you in this difficult time.
