“ *I'm sorry to hear of Bill's passing. When I got out of school in 1976, Bill was assigned the task of training me at Bedford Tool & Forge. He was a great teacher and a lot of fun. I'll always be indebted to Bill for getting me started.*

“ I am deeply saddened by the loss of my co-worker and friend Bill. I will miss our incredible conversations at work and our golf "adventures". "Oh the dreaded straight ball" he would say when it would come at the wrong time. To his dear wife Pat, his spirit carries on, never forget the love you shared.
