“ *I want to give my condolences to Bill's family and express how sorry I am for your loss. I have known Bill for over 30 years and have been his bridge partner in many tournaments. He always had a way to make people smile with his quick humor and a good joke. No one could tell a joke like Bill. I will never forget all the fun times we had together. No one could top his old fashion sayings, with the "widow Brown" coming to mind. Just know he was deeply loved and will be missed.*

“ *My condolences to Bill's family including his grandchildren. Bill was my employer from 2991-2007 at World Family Adoption Agency. I will miss him and all of his jokes. He was a great social worker and adoption assessor.*

“ Bill has been a part of my life for over 25 years. I cannot imagine a gathering of our shared workplace (Delaware County Welfare) without Bill present, "offering" his advice and opinions. Thankfully, Bill shared our last get together only a few weeks before his passing. I remember admiring his new car and him saying "the only time I feel free and relaxed is behind the wheel". God Speed my friend--you will be sadly missed! Linda Jerome

“ Mary Lee and I were saddened to hear about Bill. He was a friend and fraternity brother for many years. Actually, he and Mary Lee go back even further to their North High School days. We had a lot of fun back then. Bill was always a delight to be around and he was the life of the party. Once (1967-1968), when Mary Lee and I were living in Ft. Mitchell, KY, we received a late night call from Bill saying that he had been in an automobile accident and that he was in the hospital in Newport, KY. Obviously we went to check on him and found him pretty banged-up. We had a good time with that story through out the years. Please know that you are all in our thoughts and prayers.
