“ *Our deepest sympathy to the entire Preston family. We knew and worked with Bill both at Jones Junior High and Worthington Christian Schools. It was an honor and privilege to know him. He will be greatly missed, but we will see him again in heaven.*

“ *I have fond memories of Mr. Preston when the family lived near us on Glenmont. We made spook houses in the basement, underground forts in the garden, and he took us to Jones Middle School (The school my three sons attended - who would've thought?) in the summer to work in the shop while we played hide-and-seek. I remember him as nice, kind and fun! I also have fond memories of you, Brad, Diane, Lynda, and your mom. I am so sorry for your loss. Please feel free to contact me if you would like. “ I wanted to convey my condolences to Bill's family who I never met. I knew Mr. Preston as my metal shop teacher at Jones Jr. High around 1970. For many years my family had a chandelier hanging in our kitchen and a branding (with my initials) with the poker & shovel by our fireplace, both products of Bill's instruction. As a young man, I remember him as a kind, gentle and soft-spoken man (outstanding qualities considering that he dealt with Jr. Highers!), willing to be patient with a kid that didn't always get it the first time. I didn't know Bill was a believer until I began seeing him at church when I would periodically return to Columbus. However, when I learned that he knew the Lord, I remembered an example very compatible with the Gospel. I, along with my wife, Joy, have been missionaries to France and Africa for the last 25 years.
