

William Richard Kane

February 21, 1959 - February 28, 2025

William “Bill” Richard Kane passed peacefully at his home in Powell Friday, February 28, 2025, surrounded by his wife, family, friends and neighbors. Bill was born February 21, 1959 in Clintonville to Gerald and Virginia Kane, who preceded him in death. On Valentine’s Day in 1983, Bill married the love of his life Susan Roop who has been by his side through thick and thin, sickness and health the last 43 years. They shared a son Matthew who preceded Bill in death but left three children to love: Diashya Davis, Matthew J. Hamlin and Jaden Fox. He is also survived by great grandchildren, Declan and Keegan Davis. Bill’s surviving siblings include James (Linda) Kane, Kathy Kane, Danny Kane, Jeri (Steve) Davy, Marty Kane and Mike (Mary Jane) Kane. Brother Robert Kane preceded Bill in death in 2022.

Bill was retired from the family business Kane Painting. He loved fishing and taught all his grandkids how to fish. He enjoyed going to the casino and loved rock and roll music. Bill was a kind man and took many punches in life from his health. He was survivor though, including being lifelong epileptic, having liver cancer and a liver transplant, diabetes and kidney failure. Though he wore many scars from those battles, he will be defined as a tough Teddy bear...strong and sweet. Bill can now rest in the peace of Heaven with his Savior where there is no more pain and he can breathe, walk, play cards and eat! Bill’s strength despite the circumstances will be his legacy to follow for those who loved him. A family celebration of Bill’s life will take place this

summer in Clintonville.

A visitation will be held from 3:00 to 5:00 pm Wednesday, March 12, 2025 at Rutherford Funeral Home at Powell, 450 West Olentangy Street, Powell, Ohio.

“ I have many memories of Bill. I remember when we called him to come over and help us get rid of a gigantic spider in the kitchen. He knocked it out of the ceiling light, onto the floor, behind the refrigerator and valiantly got it outside somehow. I will never forget how excited his grandson got when he found out his Grandpa was coming over. He danced in a circle with his hands waving above his head in anticipation. Bill was “always” there to help when you needed him. He knew a lot through simple intuition. He had that gift. I know one thing is certain. He will be so missed. He was so loved.

“ Bill tried to always stay down on the low and never wanted a fluff or a fuss but on the same token, he wanted to do his very best. He worked very hard at trying to get his life back in order however transplant of the liver made it impossible for him to continue on a normal route FLY FREE N FIND PEACE BABY!! You deserve all the riches that that Heaven can bring..!! Always love you forever and it was my pleasure to try and get through the last 44 years with you..... 🙏😊
