“ *You are all in my thoughts and prayers, as always, but especially at this time. I know the presence of so many friends and loved ones will cushion the present pain of this great loss and sharing wonderful memories of the happy times will, hopefully, give you all a stockpile of warm feelings to help fill the void left by Bill's physical absence. He'll be looking down on this gathering with pride. Fondly, Molly*

Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. Hold tight to memories for comfort, lean on your friends for strength and always remember how much you are cared about. May your heart find peace and comfort.*
