“ My family sends their condolences to the family.  
No one can take my cherished memories of you from the visits you made here and all the memories we made during our 10-year relationship. I have over 15 years of memories and will relive them often with pictures, items and notes we shared.  
Your friends from your Funtimes Euchre family have flooded the lobby with messages to me about how special you were to them and how much they'll miss you. Funtimes Euchre wishes you good luck at the heavenly euchre tables in the sky! Rest in Peace OldWheels. xxx
