“ *Dear Judy, I am terribly sorry to hear about the untimely loss of your son. I cannot imagine what it is like to lose a child. SO, I will not try to suggest that this will get easier with time or any of the other things that well-meaning people often say even though they seem they cannot possibly be true. My thoughts and prayers are with you and your family during this difficult time. If there is any way I can be of assistance, please let me know.*
