“ *Melania & family, We are so sorry to hear of Rod's passing. I know he was a great guy & a wonderful big brother to you Melania. The times I had with you & Rod were always fun & full of grins & laughs. He took me on my first snowmobile ride - actually not ON the snowmobile but being pulled behind the snowmobile! Try to focus on all the good times & we're here if you need ANYTHING. He was a great man, father, grandfather, husband & brother & will be missed by all whose lives he touched. Your family will be in our prayers during this sad time.*

“ I didnt get to know or spend as much time with Rod as many others got the privelege too. But the brief time I did, was a highlight in my life. “ I don't know how the whole family is going to survive without your famous wedding soup. You were the most understanding brother-in-law anyone could ask for. I really enjoyed your sense of humor and I know Jesus will too. I will always remember the time when we went snowmobiling around your house, you will be missed by many.
