“ *Wilma was my downstairs neighbor and I have missed her very much. We had many fun times together. She would knock on my door with a jar that she couldn't open so I would open it for her. I still have a program from her funeral service and look through it every now and then.*

“ *I met Wilma when I joined St. Mark Lutheran Church in 2003-04. She was a very giving person and a delight to know. We sometimes shared church assignments...and a love for coconut bon-bons which she had me fetch for her from a Newark candy store and bring them to church on Sunday. I did not learn of her passing until another St. Mark friend called on Friday afternoon. I was very saddened to learn of her passing. She died on Resurrection Sunday and was given the gift of Eternal Life on that very special day. God's peace to her family and friends.*

“ Dear Karen and Kathy, We are so sorry we cannot be with you tomorrow. It will be a hard day for you. You have lost your cheerleader and example, a loving mother. Your folks were so wonderful to us when we moved to Worthington. I remember one evening when Jacquelyn and I had been out on an errand and we came home and could not get in the house because the lock malfunctioned! Somehow I knew where your folks lived so we drove over there and we were welcomed in and, yes, your Dad got us in the house! We had many fun, funny, and poignant times during the next eight years. More recently several times we saw your mom at the symphony with JoAnn. Oddly enough just this Monday I had my first visit to the Ohio School for the Deaf. I had a meeting there. I am working for the Ohio Department of Education now. Also, on Monday, Wes announced his retirement! 40 years of Christian ministry--what a blessing. His last Sunday is September 20th. We will be moving to Columbus if we ever sell our house--our timing isn't too great. We will be your prayer partners tomorrow and many days to come. God Bless You!
