

Win Min "Al" Sheen

September 4, 2012

Wei Min "Al" Sheen was born in Hong Kong at St. Teresa Hospital in 1956 and would be the eldest of three children. Al immigrated to the United States in August, 1974 with only the clothes on his back, quite literally; the airline lost his luggage. With a \$400 payment from the airline, Al would build a life in America. Al graduated from Lansing Catholic Central High School and continued his academic career at the University of Toledo where he received his Bachelor of Science in Pharmacy. In 1983, Al became the proud father of Gregory Adam, officially establishing the "Bank of Dad." His second customer, Alexander David would be born in 1985. Al worked at Riverside Methodist Hospital from January, 1987 to March, 2005 where he became a Pharmacy Manager and from March, 2005 to June, 2012 Al worked in the pharmacy department at Doctor's Hospital. On July 4, 2011, Al was diagnosed with small-cell lung cancer as a result of smoking. Al died on Tuesday, September 4, 2012 at the age of 55 in his home surrounded by his closest family. He was preceded in death by his parents Shioh Fang and Gwo Chyange Sheen and is survived by his loving wife, Daisy; his two sons, Greg and Alex; his step-children Kelvin and Annie Yu; and his two sisters, Barbra and Ruby. Before he died, Al was asked if there was a message he wanted to share with the world. His only advice was: "Don't smoke." Family will welcome friends from 5:00-8:00pm. “ Al was such an inspiration to me he taught me many things that I will keep with me for the rest of my life. I am very honored to have worked under him at Kroger. He always kept our job fun and interesting. His jokes, laughs, customers he's in countered will always be something to remember. May he rest in piece with the lord above in his new pain free home. Thank you Al for such an impact on my life you have made. It's hard to see you go. Prayers to your family. I'll never forget you.

“ Greg and Alex, It is always difficult to lose a parent, no matter what age. When you boys were very young I remember your dad telling me a funny story and it was about the two of you and we laughed and laughed. Al, definitely had a great sense of humor. I know your Dad was very proud of both of you! Know that he is in a better place now! You have had a wonderful life with your dad and have memories to cherish! My Love and support will always be here for you both, Pam

“ *To Alex and Gregory: I have known & loved you boys since you were infants. The most wonderful legacy that your Dad has is his sons. He was so very proud of you both. You were the loves of his life! He was a wonderful father, and you both are so blessed to have had him in your lives. Celebrate his life... don't mourn for him as he is in a far greater place now, and he will forever watch over you. Carry on his goodness and strength. We love you both, Vickie, Megan & Michael.*
