“ *No words can be said, nothing will ever fill this hole. I hope that one day, your pain eases, and you are able to move forward. It is never fair to be the ones left behind, especially when a child goes to heaven. You are in our thoughts and prayers, we are very sorry that you are going through this, what no parent ever wants or expects to go through.*

“ *Loretta, its so hard to understand and keep faith during the most difficult time a parent can experience with the loss of a child. My heart hurts for you. I'm so very sorry for your loss. Please remember you have family who loves you and will be there for you.*
